

# It's Your Best Year Yet ... 2014 ... Create Your New Scene

**Give Your New Year a Special Sheen - it's 2014!...**

Happy New Year Everyone!

While there can be multiple new starts within a year - your birthday or the start of a school term - the first of January is a special type of beginning. As a blanket of snow brightens the ground, so can the start of January speak to the fresh and new - an opportunity to polish up your space - your choice to put a bit of shine on the layers of your life. Clean it up and make it bright!
