

**It's Your Best Year Yet ...
2016 ...
The Year Begins ... Pristine and Serene**

**A Very Special and Happy New
Year to You! It's 2016!...**

A new year and an open door to new opportunities, new choices, and a new way of making your way in the world. It begins today, January 1, and you have 364 more days to experience all the new and be renewed. What will show up in your world in more abundance than you can imagine?

Peace, JOY, and love to you this year!
