CHOOSE to...

...step outside, take note of the season...breathe deeply...smell, hear, see, feel and taste the rhythm that surrounds you...the energy that can infuse you...and now carry it back inside.

...live in each season as it passes, breathe the air, drink the drink, taste the fruit and resign yourself to the influences of each...Some men think they are not well in spring or summer, or autumn, or winter; it is only because they are not *well in* them. (Henry David Thoreau's journal, 1853)
